TECHNICAL REGULATION

UCI Regulations
The competition will be conducted under the rules and regulations established by the Union Cycliste Internationale (UCI). Only riders who hold a licence for one of the international categories under articles 1.1.⊙36 or 1.1.⊙37 have the right to take part in events on the international calendar, following the provisions of Article 1.1.⊙35 of the UCI Cycling Regulations.

Scale of Penalties
Only the UCI Scale of Penalties shall apply for any infractions during the competition.

Competition Regulations
GP Internazionali di Fiorenzuola - 29th Sei Giorni delle Rose is a UCI event. The Elite races (Omnium – Madison – Points Race – Elimination – Scratch) are Class 1 races. The Under 23 races (Madison - Points Race – Elimination – Scratch) are Class 2 races. Participation is open for Men Elite, Women Elite, Men Under 23, and Women Under 23. The races award points for the UCI Track Rankings, following the provisions of Articles 3.3.⊙⊙1 , 3.3.⊙⊙2 and 3.3.⊙1⊙ of the UCI Track Regulations.

Competition Program and Schedule
The competition schedule, including race categories, start times, and durations, is detailed in the official program at this link. Participants and teams should review the schedule to be well-prepared for their respective events. The program, along with any specific modifications or communications, will be distributed via the official organization channels. The organization will communicate the confirmation of the next day's program or any changes daily, considering weather forecasts, qualifications for races, and other relevant situations.

Communication Policy
During the competition, official communications will be held within the official WhatsApp Channel, and the official website (www.fiorenzuolatrack.eu). Social media accounts associated with the event will serve only promotional and informational purposes for the general public and are not considered official. A specific WhatsApp group will be created for organizational information (meal reservations, general information). For further information, contact the race director or the secretariat.

TECHNICAL REGULATION

Track Description
The event will take place on an outdoor concrete track with a length of 394 meters and a maximum inclination of 33°. The track surface coating is concrete.

Track Opening Schedule
July 20th: 10am – 12am and 4pm – 6pm
July 21st: 10am – 12am and 4pm – 6pm
July 22nd: 10am – 12am and 2pm – 4pm
July 23rd: 10am – 12am and 4pm – 6pm
July 24th: 10am – 12am and 4pm – 6pm
July 25th: 10am – 12am and 4pm – 6pm
Please note that the track will be open only for materials check. These are not meant to be training sessions, medical service is not provided. For information or assistance during the sessions, refer to the team relations manager, Jan Kopac (+420 724 04857).

Venue Information
Below are key locations for the event.
Competition Headquarters: Located under the grandstands, at the back where the gray door is (beside the restrooms). It hosts the media center, conference room, and the commissaire's office.
Confirmation Area: Inside the velodrome, near the red building. It hosts all race confirmations and numbers distribution.
Doping Control Station: Situated near the main entrance, in the building at the left.
Media Centre: Located the same place as the Headquarters.
Direction Office: Located in the side part of the track, accessible only with a reservation from the organization director or the location manager.
Additionally, all staff members wearing white polo shirts with the "6 giorni" logo are prepared to provide participants with any necessary information.

Team Managers' Meeting
The Team Managers' Meeting is scheduled for 20th July at 4.30pm.

TECHNICAL REGULATION

Starters Confirmation and Rider Numbers Distribution
Participants must confirm their starters at the confirmation area on the same day as the event, until one hour before the beginning of the first daily session. Rider numbers will be distributed at the same location and time following confirmation. The specific time is indicated in the race program.

Award Ceremonies Program
The award ceremony will take place immediately after the end of the evening session, on the podium next to the grandstand. If, for any reason, the ceremony must be rescheduled, the organization will provide information as soon as possible. In any case, riders involved must present themselves wearing competition clothing.

Prize Money
The prize money follows UCI financial obligations, with principles of gender equality. Prizes are awarded to the first three classified of the final classification of each race.
The prize money for Class 1 races is: 1st place €200 - 2nd place €150 - 3rd place €100, for each race for each rider.
The prize money for Class 2 races is: 1st place €100 - 2nd place €60 - 3rd place €40, for each race for each rider.
Prize money will be paid via bank transfer at the end of the event. In order to collect it, athletes must fill out the prize money form in all parts and send it to the organization team.

Press
Media are allowed in the infield zone of the track only with organization media accreditations, wearing a blue bib. Media accreditation can be collected during the opening hours of the media center, located under the stands, accessible exclusively for accredited journalists during the scheduled opening time. Press accreditation is open until July 20th via mail to 6giornidellerose@gmail.com. Media Center will open everyday at 4pm.

Environmental Policy

We are committed to promoting sustainable practices and reducing our environmental impact. Some of the actions that will be taken during the event include:

Minimization of paper usage: we will minimize the use of paper by digitizing documents and communications. Updates and relevant information will be made available exclusively through electronic means.

Waste Separation: we will provide bins for separate waste collection at strategic points. We kindly ask all participants to actively collaborate by separating waste according to the provided guidelines.

We are truly convinced that, through the collaboration of participants, we can make our event increasingly sustainable. Your active involvement and adherence to these policies are crucial for the success of this ecological initiative. As part of our ongoing commitment, we aim to offset the carbon footprint of the event in the future. Your continued support will help us achieve this goal.

For any additional queries or clarifications, feel free to contact the Race Director Luca Taranti (+39 3483860703) or the Secretary Elia Santi (+39 3476658333). We wish all participants a successful and enjoyable Competition!
